

CQC

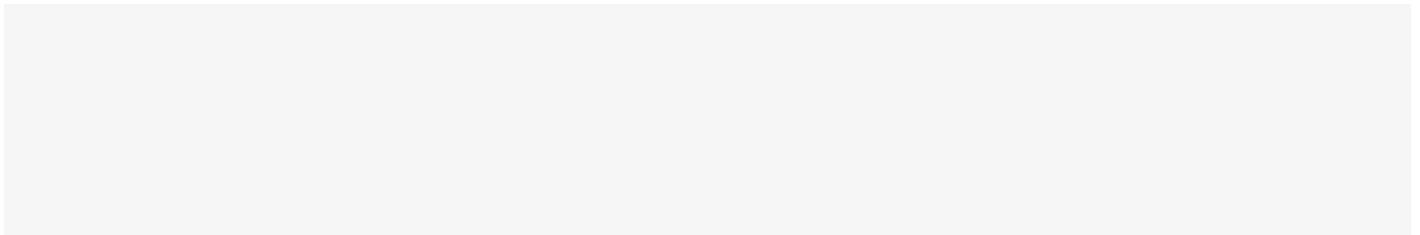

Improving outcomes

The way in which CQC inspects and regulates health and social care providers has changed and continues to change. Securing a positive inspection is vital for your reputation and demonstrates to your patients that the care they receive is of a high standard. We have unrivalled experience in supporting NHS Trusts, Independent Health Providers, Care Homes, Online Digital Providers, GPs and Dentists with these issues and a proven track record in delivering successful outcomes for our clients.

Quotes

“Capsticks have always provided an effective and efficient service, providing valued support and great results. We wouldn’t hesitate to recommend their services and will definitely be using them in the future should the need arise.”

Director – Care Home Provider

“Capsticks provided much needed specialist advice on the CQC’s inspection regime and special measures. They clearly understood the political aspects as well as the regulatory minefield and legal position.”

CEO – NHS Trust

“Thanks for your work on this CQC issues which has resulted, if I am honest, in a better outcome that I thought possible.”

In-house counsel of Large Independent Hospital Provider

“Capsticks LLP’s ‘leading’ practice includes ‘caring, compassionate and courteous lawyers, who utilise their wealth of expert knowledge to lead clients through strategic decision-making and ensure fair resolution.”
