

## Insurance Litigation Team

---

*Our team's extensive experience of handling insurance claims of all sizes means that we can help our clients to get the best possible result from their claims, whatever the amount of damages at stake. Our pragmatic approach to claims management, together with our very competitive rates, ensures that our clients get real value for money.*

### Our areas of expertise include:

- Policy coverage advice: our lawyers are experienced in providing clear and practical advice on technical coverage issues.
- We have a team of specialist inquest advocates who not only carry out the advocacy at hearings, but also advise on related claims.
- We have extensive regulatory law experience throughout the firm.
- We have a specialist team of advisory lawyers with expertise in information law who advise on cyber issues. We offer a 24 hour emergency hotline service to selected clients.
- We are leaders in risk management and offer practical advice to clients on risk management issues through publications, presentations and reports at staff and board level and claims and incidents audits.
- We have a specialist Health & Safety Department which provides advice on HSE investigations and supports organisation through the prosecution process.
- We routinely handle high value injury cases, including PPO settlements, meaning that we can handle these efficiently and cost-effectively, working closely with many of the leading Counsel and experts.
- Our lawyers have experience of handling professional indemnity litigation on behalf of Lloyds syndicates and professional indemnity Insurers for lawyers (solicitor and barrister), architects, surveyors and of Investigating and defending complex cross-insurer fraudulent personal injury claims.
