

'Becoming an ASB Pro' Training Series Winter/Spring 2019

Capsticks are delighted to announce the following ASB Training courses which run over the Winter/Spring of 2019.

Our 'Becoming an ASB Pro' training series equips professionals with a broad range of skills and is aimed to enhance knowledge and confidence when tackling ASB issues in this complex area. These training sessions can be taken individually or as a series.

ASB Case Management (1 day)

Review the basics of case management. Learn how to:

- open cases effectively
- manage risk
- deal with complainants and perpetrators
- construct effective action plans
- gather evidence and effective investigation techniques
- deal with counter allegations
- close cases effectively.

Safeguarding Vulnerable Adults and Children (1 day)

Improve your approach and knowledge of this critical subject by:

- listening to up-to-date guidance on current legislation (The Care Act and The Children's Act)
- learning how to spot tell-tale signs of abuse
- learning how to make referrals to statutory agencies
- learning how to challenge partner agencies
- dealing effectively with issues such as professional boundaries, data sharing and unconscious bias.

ASB and Mental Health (1 day)

Explore the labels and indicators of mental health. Learn how to:

- manage mental health cases
- decide when to provide support and when to consider enforcement
- get the most out of partner agencies
- know what to expect in court from a defence and hurdles perspective

- prepare cases for court by reviewing arguments relevant to the Equality Act duty, Mental Capacity Act and Human Rights Act.

ASB Tools and Powers – how to use them effectively (1 day)

Know what the options are, when and how to use the powers available. You will learn:

- your powers within the ASB, Crime and Policing Act 2014
- what your powers mean in practice by exploring insightful case studies
- by group discussion around the practical approaches to applying these powers to your business.

A Step by Step Approach in Delivering an ASB Strategy Training for Managers (1 day)

With the increased focus on Value for Money (VFM) learn how to provide a clear framework for services delivery. We'll explore:

- examples, processes, stakeholder and staff consultations
- how to interpret data, analysis and anecdotal feedback
- how VFM can be achieved
- how to evidence continuous improvement.

The Courtroom Experience – preparation and mock trial (1 day)

Build confidence in giving evidence and dealing with defence arguments. This course covers:

- pre-court case preparation (collating court bundles, getting familiar with court papers & witness statements)
- understanding court etiquette
- taking part in a mock trial using real life case studies with a barrister and solicitors

Who should attend?

These courses are aimed at professionals that have a responsibility for tackling ASB and/or Community Safety. This may include:
